 Date: 01-Aug-2018

CUSTODIAL OFFICE : MERO - Foundation Design - (416) 235-3715

NOTES:

- Systems eligible for inclusion in MTO work are defined during the project design phase and identified in contract documents.
- Maximum angle is measured from the horizontal.
- Maximum wall height is for each continuous tier at maximum slope.
- Performance is a rating either High (H), Medium (M) or Low (L).
- Appearance is a rating either High (H), Medium (M) or Low (L).
- Acceptance is a category, with status of demonstration (DE) or Acceptance (A).
- RSS is also identified as mechanically stabilized earth (MSE).
